DECLARATION UNDER 37 C.F.R. §1.131

1. I, the undersigned, am an inventor for the Patent application (hereinafter "the Application") identified above.
2. The subject matter of the Application was conceived prior to November 4, 2003. As evidenced by the "Intel Invention Disclosure 30545" date February 28, 2003, which is attached hereto as Exhibit A.
3. I have reviewed the subject matter of currently pending claims 1-6, 10-16 and 18. The "Intel Invention Disclosure 30545" fully supports the subject matter of claims 1-6, 10-16, and 18 of the application.
4. As disclosed in Exhibit A, my employer approved the preparation and filing of the Application on March 7, 2003 directed to the subject matter described in the "Intel Invention Disclosure 30545."

5. I or one of my co-inventors worked to expedite the patent prosecution process through e-mail correspondence with my co-inventors and my employer in October and November 2003.
6. In November 2003, I or one of my co-inventors corresponded with attorney Edward Brake regarding the Application.
7. On December 15, 2003, I reviewed a draft of the Application from attorney Edward Brake.
8. I or one of my co-inventors provided attorney Edward Brake with remarks for the Application on December 19, 2003.
9. The Application was filed in the United States Patent Office on December 20, 2003, constructively reducing the invention to practice.
10. I hereby declare that all the declarations made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
